Nestled in the heart of
Florida's Nature Coast

Walden Woods South is situated in a beautiful unspoiled area, approximately 45 minutes north of Tampa. Here you can see eagles soaring above the moss-draped oak trees, or dolphins and manatees playing side-by-side in the crystal-clear waters of the area's beautiful waterways.

The Seminole Indians named this magical area "Homosassa"... home of many fish. Winslow Homer painted here; Hernando de Soto explored this area for gold and the mystical fountain of youth; baseball great Ted Williams and novelist Piers Anthony retired in this area.

One mile south of US Highway 98 on US Highway 19, Walden Woods South is a gated 55+ active retirement community that offers you not only a beautiful place to call home, but a relaxed and enjoyable lifestyle, as well. Swim year round in a comfortably heated pool, soothe your body after exercising in the whirlpool spa, play shuffleboard and billiards with friendly neighbors, and enjoy social activities too numerous to mention.

There are plenty of area attractions for your entertainment ... seven of the United States' most beautiful spring-fed rivers for diving or tarpon and bass fishing; the Homosassa Springs State Wildlife Park for exploring manatees in their natural habitat; and the Chassahowitzka National Refuge for an unspoiled view of primitive Florida.
